HELP WANTED

Dear Parents,

There are a few events each year at school that we need help with, and our parent body never lets us down. As we have no parents association I wonder could we formalise this a bit more.

Here are some suggestions (please give feedback, all ideas positive or negative appreciated).

- Holy Communion party at the school – 1st class parents help out with this on the day. (This is already in place).
- 6th class Graduation Evening. Could we have 3-4 5th class parents helping out with the tea etc on the evening (in June).
- Grandparents Day – We could do with 3-4 parents possibly from 3rd and 4th class who would come along for an hour on the day to help us with Tea etc. if you are not a 3rd or 4th parent but could help on the day (26th March 12.45) let us know.
- Sponsored Walk – Junior & Senior Infants parents, could ye help with our annual sponsored walk in June – encourage others to walk? Put up Posters? Have a theme?
- 50/50 – All parents of classes would be asked to cover 1 night each in November so first night be 5th and 6th, second night 3rd and 4th etc.

These are suggestions that would possibly make our annual occasions a bit easier to run. Please let us know if you agree or have other ideas.

As always,

Thank you for your support.

Yours sincerely,

**Anne-Marie Farrell
Principal**
