When I was five years old, I tripped getting out of a car and split my chin. Ouch!! I had to get three stitches in the hospital. I still have a scar.

My Family

There are five people in my family. I have two siblings, their names are Laura who is five years old and Maria who is thirteen years old. My mammy's name is Frances and my daddy's name is Gerard. I better not say their age as they are very high up in the digits! Oops, I shouldn't have said that! I have a dog

My Hobbies

I have an abundance of hobbies. Some of my hobbies include football, soccer, piano and tin-whistle. I get piano lessons off Emma Mc Donagh she is really nice. I had an exam on the 20th of May in the Bowers Athlone. I was doing primary. I play the tin-whistle with the school. Ms Fitzmaurice the 5th & 6th class teacher. My favourite tune is "Bog down

in the Valley. It is so catchy! I play football with St. Brendans and I play soccer with Shuren Rovers. My position is always backs.

My favourite hobby

All in all, my favourite hobby is football. I prefer football because you can kick it up off the ground, whilst playing soccer, it's on the ground, like it or not.

Who inspired me

My sister Maria is on the Galway U14 county team and has been playing football all her life. My great grandfather was famous for kicking a football the length of Croke Park. His name was Patrick O'Brien also none as Cuddy O'Brien. So I would love to say that

they are the two people who have inspired me to play football. It is a privilege to have two very special people that have inspired me! Some day I hope to play on the halway county team.
